Dear Mr. Ebersole,

thank you for your letter, reaching us on November, 7, 1975.

Your request we want to comment as follows:

Your Porsche 912 has been delivered over our Porsche Central Dealer, Raffay + Co., Hamburg, Germany, on May, 19, 1965. The original engine-no. was D 830 397. This engine, however, has been replaced on May, 5, 1966 to the engine-no: KD 830 787. The transmission-no. is 220 274-902/1, color: irish green 6406 B, interior-trim: leatherette black. The vehicle was fitted with an 5-speed-transmission and antenna with loudspeaker. The wheels were chrome-plated.

Unfortunately a drivers manual for the model year 1965 is not available. Therefore we have enclosed an English edition for the model year '68 which differs only in some few details.

We hope to have been of assistance to you. Wishing you in the future many sorrowless miles with your Porsche 912.

Yours faithfully

Dr. Ing. h.c. F. Porsche
